

Beer Festival Medical Team Volunteers

The CAMRA Medical Team is looking to expand its pool of qualified volunteers this year, as we now support more festivals with medical planning and on-site cover. To do this, we need more suitably qualified volunteers willing to get involved.

We're looking for CAMRA members who hold the following qualifications:

- FREC3 or equivalent
- FREC4, FRUEC, AAP.

Or those who are registered healthcare professionals and hold a pre-hospital qualification.

For more information or to arrange an informal chat, contact: team@medical.camra.org.uk
